

## IP PBX

# Phone Service

We are expert in voice communications and provides phone systems for offices.

We not only supply IP phones, Softphones, IP PBX and SIP trunks, we also maintain the phone systems for you. We can program phone systems to do call automation and handle voice responses too.

Talk to us on your telephony needs in your office !

### One-Stop

We can address your requirements on IP telephony, no matter it is related to hardware, software or lines from telecom provider.

### Programmable

Our IP PBX is programmable to your needs. Voice mail, call recording, distribution, and forwarding, we have them for you.

### Automation

We can program the phone systems when you have the need to automate calls and do interactive voice responses (IVR).
